

THE PERFECT EQUATION FOR STYLE, COMFORT & PERFORMANCE

QUANTUM JT™

The Quantum JT is the sum total of the best features of each generation of

jazz tap shoes by Leo's Dancewear, the creator of the Original Jazz Tap. Leo's new Quantum JT features our two-piece leather sole and lightweight shank for flexibility, support and the perfect tap mounting surface. A supple full grain leather upper, super soft PrimaFeel lining and our Dri-lex/Ultra-Fresh insole provides unequaled cushioned comfort while your feet stay dry and odor free. The Quantum also includes a reinforced toe box and suede Achilles lining for easy toe work and a more secure fit. The stitched on EVA sole delivers added confidence and Leo's best Ultratone taps produce that Big Tap Sound! All are available in our new Competition Tan or

the first name in dance™

Black for the perfect look. We're sure you'll agree that it all adds up to a quantum leap in jazz tap comfort and performance...Leo's new Quantum JT.
